Applicant-Info Winter 2010/2011

Thank you for your interest in our Ski School.

The Kitzbuhel Ski School and its instructors, the Red Devils, is one of the biggest, most famous and traditional Ski Schools in the world.

You will find a wide range of information about the history and services we provide on our homepage www.rote-teufel.at.

Every year we need new instructors for the winter season to support our team of long term instructors, or especially over the Christmas period until the 6th of January and throughout February.

What do you need to do to become a Red Devil?

- Please clearly fill in the attached form and return it to the Ski School in the next few days.
- Ski School laws require that you have passed the Anwarter (level I) exam or have a similar standard of qualification before you commence teaching.
(for information about the training possibilities and exams see the sheets attached)

Exceptions: Child Carers in the Childrens Ski Nursery where no qualification is required as schooling is given by the ski school Red Devils.

- If you already have an Austrian Ski Instructors Qualification, simply bring a copy of your certificate.
- Bring a passport sized photo of yourself.

In sending back your application form you will automatically be put onto our books, although you will not receive notification of this.

A fixed position is only guaranteed after the successful completion of the Anwarter (level I) course. It is a good idea to make telephone contact with us once more closer to the time, for example to find out the address of your accommodation etc.

- The Ski Instructor clothing is supplied by the Ski School (jacket, ski pants, fleece, hat and headband).
- If required we will organise accommodation for you during your employment.

We will be very happy to answer any further questions:

This is best done by e-mail: info@rote-teufel.at

or by telephone in October/November Mon-Fri 0900-1200

and from the 1st December Mon-Fri 0900-1200
and 1500-1800

We are already looking forward to working together with you and welcoming you into our team.

With the best sporting wishes
Kitzbuhel Ski School
